

# THE NOURSE

Built in 1927, the Nourse is a landmark venue located in the heart of San Francisco's Performing Arts Center (across the street from Davies Hall musicians' entrance). The theater features excellent acoustics, a well-designed layout offering unobstructed views throughout the orchestra and balcony, and original architectural details; it's an ideal venue for a wide range of performances and a uniquely beautiful setting. City Arts & Lectures has refurbished the hall, installing state of the art lighting and high quality sound equipment including Meyer speakers, new curtains, plush upholstered seats, and dressing room.
